 Renewable energy

Ecozen Solutions Pvt. Ltd. is a renewable energy technology company providing smart and sustainable solutions to rural agricultural farmers in India.

They focus on enabling an integrated value chain through improved irrigation, managing produce and connecting farmers to key markets.

Founded in 2010, Ecozen supports more than 19,500 rural farmers living in off-grid areas.

Oikocredit has been partnering with them since 2021 to help make a positive impact in the lives of rural farmers and their communities in the region.
